Rated power [W]	73	100	133	146	178
Electricity consumption [kWh/24h]	0,7	1,0	1,3	1,6	1,9

## Standard equipment

powered only by external aggregate

hinged doors with combined glass

device prepared for multiplexing

dynamic cooling (ventilated)

ecological polyurethane foam insulation

base and front panel made of colored coated steel - different colors available (Igloo pattern book)

top panel illuminated with LED light - different plexiglass colors available (IGLOO pattern book)

internal top illumination - LED light (white color)

night roller blind

interior and exposition shelves made of white coated steel

exposition shelves with height and angle adjustment

price stripes - different colors available (IGLOO pattern book)

---

bumper - different colors available (IGLOO pattern book)

---

automatic defrost

---

electronic temperature controller with digital display (IGLOO)

---

## Options

insulated ABS side panels with glass - different colors available (IGLOO pattern book) - thickness : 40 mm

---

insulated side panels made of white coated steel - thickness: 40 mm

---

insulated side panels made of stainless steel - thickness : 40 mm

---

steel side panels color - different colors available (IGLOO pattern book)

---

side mirrors

---

top full panel made of painted steel - possibility of choosing the color (IGLOO pattern book)

---

top full panel made of stainless steel

---

top wooden panel - different colors available (IGLOO pattern book)

---

front panel color - different colors available (IGLOO pattern book)

---

front panel color - different colors available (IGLOO pattern book)

---

base color - different colors available (IGLOO pattern book)

---

base made of stainless steel

---

wooden bumper - different colors available (IGLOO pattern book)

---

device interior and exposition shelves made of stainless steel

---

device interior and exposition shelves made of acid - resistant stainless steel

---

strengthening of full shelves

---

good securing fence

---

internal, upper lighting - LED lamp (color of choice: white, confectionery or meaty "deep pink")

---

top mirrors

---

additional chrome reticulated strengthened shelf + set of rails

---

fixed partition made of PETG (plexiglass)

---

automatic defrost

---

electronic temperature recorder + software

---

temperature recorder wire

---
